

What is Tithe? Tithe is given back to God because he owns everything and he gives us everything we need. The amount of Tithe we give back to God is 10% of the money that we receive. We give Tithe back to God by giving it to the Church. Our Tithe money is used by our Church to spread the good news about Jesus in WA, across Australia and around the world.

You can learn more about Tithe by reading these Bible texts:

Psalm 24:1
Leviticus 27:30
Malachi 3:8-12
1 Corinthians 9:13,14

What are Offerings? The Offerings that we give can be any amount of money, large or small. We give Offerings to God because we love him and are thankful for all he has given us. Offerings are used by our Church to help people in the community.

You can learn more about Offerings by reading these Bible texts:

1 Chronicles 16:29
2 Corinthians 9:7,8,11

Thank you for being faithful and giving your Tithe back to God. Thank you, also, for your Offerings, which you have given because you love God and are thankful for all he has done for you.
